

## **DOG REGISTRATION FORM 2025**

We regret that we cannot take any known aggressive dogs for our service. These include any breeds proscribed under the Dangerous Dogs Act, and bull terriers.

All dogs must be fully vaccinated to include parvovirus, leptospirosis, hepatitis, distemper and kennel cough. Please advise ASAP of any relevant veterinary conditions your dog may have and any medication being taken.

Vaccinations must be UK, Primary vaccination courses must be completed at least 2 Weeks before Boarding.

All new dogs require a trial session to familiarise with our home, secure paddocks & resident dogs before homeboarding or Day Care.

Please make sure your dog has an upto date ID Tag, we also pop a re-inforced ID brass Tag with our details that your dog is in our care.

We do not accept bitches in season, and request that owners inform us immediately if they suspect their dog may be coming into season. We reserve the right to return any dog that is in season.

We do not take entire males over the age of 9 Months. \* We do not accept dogs who have completed the chemical castration 3 months after the procedure.

Please advise us of any previous aggression your dog has shown towards people and/or other dogs and inform us of any medication or circumstances that may have recently changed your dog's behavioural pattern.

**Please advise us if your dog has had any issues with food or toy possession, straying off the lead, constant barking, problems with house training etc: as this is extremely important in helping us to assess the level of care that your dog needs and whether or not training is necessary.**

I consent to Jessica Clare or her designated representative walking my dog(s) off-lead at times and in places she considers appropriate.
